WEDJ.com Insurance Program Property List

You may use this form to list your equipment to be covered or you may use a spreadsheet or typed page. Be sure to include all of the items to be covered as only items on the sheet will be covered in the event of a claim. For music library show the # of items and multiply that # of the value YOU place on the library to a maximum of $25 each. If you have music library items valued at more than $25 you can insure them by listing them on the property list form. Please call the program manager with any questions
